

RESOURCE GUIDE

Retrieve Your Username and Password for the ACS Quality Portal (QPort)

Purpose

The purpose of this resource guide is to outline the process for retrieving your username and password for your ACS Quality Portal (QPort) account.

Please note: If you are a new user at your site, please contact the *Primary Contact* at your site (most often the Trauma Program Manager) to request that you be added to your site's contact list.

Process

1. From the Trauma Quality Programs Participant Hub, click the “QPort” button. You can also bookmark the QPort URL: <https://qualityportal.facs.org/qport>.
2. On the ACS QPort login page, click “Forgot password?”

Help

New User?

3. Enter your username or email address associated with your account then click “Submit.”

/ Forgot Password

Please enter your username or email, and if we find a record, we will send a password reset email.

Submit

4. An email will be sent to the email address associated with your account containing your username and a link to reset your password. *Please check you spam/junk folder if you do not see the email in your inbox.*

If you have any questions, please contact us at traumaquality@facs.org
